TERMINAL DISCLAIMER

COMMISSIONER FOR PATENTS
P.O. Box 1450
Alexandria, VA 22313-1450

S I R :

The owner of 100% interest in the instant application,
namely the Assignee of record:

Assignee: KONICA MINOLTA HOLDINGS, INC.

Assignment recorded on: April 21, 2005

Reel: 016940 Frame: 0524

hereby disclaims, except as provided below, the terminal part of
the statutory term of any patent granted on the above-identified
present application which would extend beyond the expiration date
of the full statutory term (defined in 35 U.S.C. 154 and 173), as
shortened by any terminal disclaimer filed prior to the grant of
said any patent, granted on pending second Application Number
10/519,107, filed on December 23, 2004;

The owner hereby agrees that any patent so granted on the
above-identified application shall be enforceable only for and

during such period that the patent granted on the above-identified application is commonly owned with said issued patent.

This Agreement is to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the present application that would extend to the expiration date of the full statutory term (as defined in 35 U.S.C. 154 and 173) of said commonly owned issued patent, as presently shortened by any terminal disclaimer, in the event that any such issued patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned hereby states that he is an Attorney of Record in the above-identified present application and is empowered to sign this Terminal Disclaimer on behalf of the Assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
